Certificate of conformity of the factory production control

1301 – CPR – 1429

In compliance with Regulation (EU) No 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Load-bearing structure for solar collectors and photovoltaic panels

Components of load-bearing aluminium structures are used in a support structure for solar collectors or photovoltaic panels for: flat roof/facade/terrain, pitched roof with combined screws, pitched roof with non-corrosive hooks, for structures with height adjustable aluminium hooks, for structures with aluminium straight hooks and for structures with clamps for folded metal sheet.

The manufacturer produces aluminium structural components and structures pursuant to the requirements of EN 1090-1+A1 and executed according to EN 1090-3 in execution classes EXC2 and EXC3. The factory production control includes manufacturing of the aluminium components.

Placed on the market under the name of

THERMO/SOLAR Žiar s. r. o.
Na vartičke 14, 965 01 Žiar nad Hronom
Slovak Republic

and produced in the manufacturing plant

THERMO/SOLAR Žiar s. r. o.
Na vartičke 14, 965 01 Žiar nad Hronom

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA.3.2 of the standard

EN 1090-1: 2009+A1: 2011

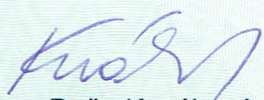

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 19 February 2019 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Bratislava, 19 February 2019
